

POSITION ANNOUNCEMENT: Summer Staff

- POSITION TITLE:** Research Methods Lecturer
- LOCATION:** Academic Achievement Programs
2204 Marie Mount Hall
University of Maryland
College Park, MD 20742
- CATEGORY:** Summer Staff (Contractual)
- RESPONSIBILITIES:** The Lecturer is responsible for providing research-related instruction and academic advising that best prepares students for their end of summer research presentations, graduate school, and preparation for the Ph.D. degree. Specifically, the Lecturer will, for example:
- Provide instruction that exposes students to qualitative and quantitative research methods and transitions;
 - Teach academic writing strategies using APA format and guidelines;
 - Assist students with developing chapters for summer research projects by focusing, for example, on abstracts, introductions to study, literature reviews, research methods, findings, conclusions and recommendations;
 - Conduct pre- and post-tests to assess knowledge of research methods;
 - Provide timely reports of student progress;
 - Coordinate, oversee, and assess a minimum of 10 instructional contact hours related to communication: speech delivery and research writing; and
 - Assist the Associate Director with elated activities designed to strengthen student research skills and to produce the McNair Journal.
- MINIMUM QUALIFICATIONS:** Applicant must have a PhD or be ABD in a BSOS discipline with at least 2 years of teaching experience.
- ADDITIONAL INFORMATION:** Remuneration will be commensurate with experience. For best consideration, applications should be submitted by January 18, 2013 to Dr. Terri Wright at tdwright@umd.edu.
